

DOMAINE DUCLAUX

Duclaux Red 2016

Châteauneuf du Pape,

Powerful - Spicy - Suave

PRESENTATION

The Duclaux Family is one of the oldest in Châteauneuf-du-Pape. This family built up its domaine through the centuries and was one of the first founder members of the Appellation association in 1904. The Quiot and Duclaux families built up bonds and family connections over the years. The Domaine Duclaux, as a historic domain of the appellation, produces wines in the tradition of the traditional Châteauneuf-du-Pape: powerful, elegant and structured. In order to maximize the potential of our terroirs for our red Duclaux, we have chosen to age it in wood. What is typical of this wine is its high grape variety in Mourvèdre which gives it its spicy side.

TERROIR

Soils mainly made up of river sand and rolled pebbles. Terroirs containing alluvial soils, sand and stones in the lower vineyards and clay-limestone soil on the slopes.

"This beautifully matured Chateauneuf is mouth-filling, round and soft with plum-compote character and lots of spicy and savory notes. And the silky finish is brimming with violets. Drink or hold."
