## Miss Quiot Sensuelle

IGP Méditerranée, France

Miss Quiot in Rosé... a refined sensuality of its aromas.

### THE WINE

Provence attracts you... its beauty, its landscapes. Here a simple Mediterranean Rosé that will take you in your memories or dreams of vacation.

### THE VINTAGE

Capricious weather for the 2020 vintage, a spring alternation of cold and hot but the good summer weather and the Indian summer allowed a good harvest.

### LOCATION

The plots are located between the Sainte Victoire and the Aurélien mountains, a contrasting setting with a characterful atmosphere. The brightness is breathtaking and has also inspired Cézanne when he came to the domaine.

### TERROIR

The plot, in one piece, is clay and limestone. It borders the eastern end of the domaine.

### IN THE VINEYARD

All of our domaines are identically cultivated, AOC or IGP plots, in accordance with the specifications.
