PRESENTATION

Our Domaine du Vieux Lazaret is one of the main estates of the Appellation and one of the oldest, dating from 1748. The domaine covers around 100 ha, spread over the 3 typical terroirs. All 13 grape varieties are cultivated on our lands. At the beginning of the 19th century, the Quiot family bought an old Lazaret (a hospice run by religious Lazarists who played a very important part at the time of the 1720 plague, when a third of the village population died) and built up a proper domaine by linking up plots of land owned on the commune. The « Domaine du Vieux Lazaret », built up over three centuries, by marriage, purchase and distribution, has this name since 1915.

LOCATION

Our plots are spread all around the village, which allows us to benefit of the advantages the Appellation area can offer in terms of climatological varieties, terroirs and exposure. All 13 traditional allowed grape varieties are cultivated on our lands. This allows us balanced wines, all in finesse.

TERROIR

3 major soil types : soils with rolled pebbles, stony terraces with sand and gravel sub-soils and clay soils formed from the limestone mother rock.

IN THE VINEYARD

Our work as a winegrower, but above all as a farmer, requires us to ally ourselves with nature and to adapt to it. Depending on the year, this can be more or less difficult regarding the weather conditions. However, we must, through our cultivation practices, allow the plant to give us the optimum over time and to preserve our terroirs.

REVIEWS AND AWARDS

91/100

"Blood ruby, suggesting pre-Christian sacrifices in the Gallic south of France. Intriguing aromas of dark fruits, leather, and game. Satin texture with spicy, powerful yet elegant flavours of white pepper, ripe pomegranate, red currant, black olive, pastrami, hoisin sauce, and Chinese five spice. Young, fresh, vigorous, already demonstrating impressive depth, complexity and length. A blend of Cinsault, Counoise, Grenache noir, Mourvèdre, Muscardin, Syrah, Terret noir, Vaccarèse, grown on 3 main types of soil: rolled pebble soils, stony terraces in the subsoil combining sand and gravel and clay soils from the limestone bedrock, aged 18 months in vats and barrels. Beautifully balanced with a fine structure with certain potential to continue evolving in the bottle over the next 10+ years. Terroir and winemaking shining."

"Candied cherries, sweet cranberries and a touch of stewed herbs. Lightly chewy in terms of tannins, with a fluid center palate and a medium-length finish. A bit overripe, but approachable. A good, simple Chateauneuf that shows early appeal. Drink now."
