MAISON QUIOT

Mère & Fille

At the heart of France's Rhône Valley, we cultivate far more than vineyards and truffle orchards—we cultivate a legacy of transmission and a true art of living.

Led by two generations of women - a mother and her daughter - our House draws its strength from a shared passion for terroir, authenticity, and the joy of bringing people together. Between vineyards and truffle orchards, we craft our wines and truffles with care, precision, and respect, revealing the unique character of our land.

Every bottle and every truffle faithfully express a living terroir, shaped by nature, time, and patience. Every vintage and every harvest tells a story: the story of a place, a family, and the passing seasons.

We believe that true luxury is never about display—it is about experience. It is found in
