

Le Bossu, Côtes du Rhône, Viognier

AOC Côtes du Rhône, Vallée du Rhône, France

PRESENTATION

"Hunchback" is the term for uneven and hilly terrain, which describes our hilly terroirs well.

But a Hunchback is also part of French popular culture. Indeed, in the Middle Ages, hunchbacks (people with a bump on their shoulder) were feared, full of malice and cruelly mocked. However, they were also, according to tradition, a bringer of luck for whoever rubbed their bump.

Our CUVÉE DU BOSSU is a mixture of all these senses. Supported plots producing wines of character, skillfully expressing the riches of the terroir, patiently throughout their maturity.

LOCATION

Indescribable... and irresistible!

Its history has experienced multiple twists and turns since this grape variety almost disappeared... Originally, it was exclusively cultivated in the northern Côtes du Rhône (from Vienna to Valence), before becoming one of the most popular in California. Today, this white grape variety is distinguished as much by its rarity as by the complexity of some of its aromas, so shifting that they escape description.

TERROIR

Our Viogniers are planted on 2 types of soil:

- on the place called the Plan de Dieu with rolled pebbles of intermediate size (gravel and clay),
- in the town of Violès, in Les Troncs with gravel terroirs.

WINEMAKING

Harvests carried out taking advantage of the first freshness of the morning and protecting the berries and juices from contact with the air in order to avoid any premature oxidation. Pneumatic pressing, settling and fermentation in thermo-regulated stainless steel vats (15-17°C).

TASTING

Its imposing perfumes reveal very full-bodied aromas on the palate, of admirable length. This grape variety produces fine white wines, with a rich and creamy body.

Very fragrant and subtle, it reveals moving aromas of yellow fruits (mango, pear, peach, apricot, quince), fresh flowers (violet, iris, acacia), musk and spices, but also dried fruits (toasted almonds and hazelnuts).

FOOD PAIRINGS

To drink with dishes based on mushrooms.
