

## Houchart Sainte Victoire Rosé 2021

côtes de provence,

AN EXOTIC JOURNEY OF FRUITS AND CITRUS.

### THE STORY

At the foot of the Sainte Victoire mountain, 15 kms from Aix en Provence, in the commune of Puylobier, this domaine was bought in 1890 by Aurélien Houchart, a negociant and friend of Cézanne and great-grand father of Geneviève Quiot. This family estate has been farmed since Roman times, some distance away from the "Via Aurelia".

### LOCATION

The Sainte Victoire appellation is a terroir on the southern foothills of the Sainte-Victoire mountain (east from Aix-en-Provence) which extends to the ranges of the Olympus and Aurélien mountains. This Area has very specific geo-climatic characteristics (poor, well-drained soils formed of limestone and clayey sandstone). This terroir benefits from exceptional sunshine and a slightly continental nuances climate, protected in the south from maritime influences by the Aurélien mountains and the Sainte-Baume massif. The action of the mistral cleanses the vineyard. The grapes ripen later there than in the rest of the Côtes de Provence Appellation, which gives the wines a characteristic freshness.

### IN THE VINEYARD
