

Le Bossu, Gigondas, Rouge

AOC Gigondas, Vallée du Rhône, France

PRESENTATION

"Hunchback" is the term for uneven and hilly terrain, which describes our hilly terroirs well.

But a Hunchback is also part of French popular culture. Indeed, in the Middle Ages, hunchbacks (people with a bump on their shoulder) were feared, full of malice and cruelly mocked. However, they were also, according to tradition, a bringer of luck for whoever rubbed their bump.

Our CUVÉE DU BOSSU is a mixture of all these senses. Supported plots producing wines of character, skillfully expressing the riches of the terroir, patiently throughout their maturity.

LOCATION

The cultivation of vines dates back to antiquity. If we attribute the creation of the first wine estates to veterans of the second Roman legion, the discovery of vats for storing wine constitutes another clue. We then note that the oldest written mention of a Gigondas vineyard dates from the 12th century. Gigondas was the first Côtes du Rhône Village to achieve the rank of Cru, on January 6, 1971.
