

Château du Trignon, Sablet, Rouge, 2016

AOC Côtes du Rhône Villages Sablet, Vallée du Rhône, France

A WINE MARKED BY SPICES

PRESENTATION

Since 2006, the Quiot family, charmed by the Dentelles de Montmirail and its products of character, has owned the Château du Trignon in order to perpetuate it, while expanding it by 10 ha of Vacqueyras and a few hectares of Beaumes-de-Venise.

"Respectful of our achievements but rich in our winegrowing knowledge, we have adopted this land, whose singularity fits in with all of our other properties, with the same concern for tradition, quality and adaptation."

LOCATION

Built on a sandy hillock that gave it its name, this typically Provençal village is home to narrow streets and strange stairs with uneven steps. Its vineyard, all on gentle slopes, elongated silhouette, feeds on sandy soils, decalcified red clays and gravel of various sizes. The Dentelles de Montmirail, at the foot of which it is located, protect the 300 hectares of vines covered by this appellation.

Sablet acquired its letters of nobility, Côtes du Rhône Villages communal, in 1974.

TERROIR

A particular geology in the Sablet Village Appellation: sandy soils, decalcified red clays mixed with pebbles of various sizes and red sandstone soils.

On the Domaine, we can distinguish more particularly 2 terroirs on alluvial terraces:

- rolled pebbles,
- sandy and not very calcareous (white safres).

Decanter 92/100

"Fully mature now, showing notes of leather, strawberry jam and cardamom. Lovely freshness still, though the fruit flavours are mature, with vibrant sappy acidity and a long finish. Just goes to show that Sablet ages well in a good vintage like 2016. Very impressive for those with a taste for Grenache with a touch of age – succulent, sweetly fruited, complete and delicious."

"2016 Château du Trignon Côtes du Rhône Villages Sablet, AOP
Côtes du Rhône Villages, Vignobles Famille Quiot
Die Rhone präsentiert sich hier von ihrer
Schokoladenseite – im wahrsten Sinne
des Wortes. Schon in der Nase ein Hauch
Kakao, dann am Gaumen feine Schokolade gemixt
mit dunkler Frucht und Pfeifentabak, aber saftig
und klar und mit feinem Tanninbiss."

Bonjour Prowein

"The Rhone presents itself here from its
Chocolate side - literally
of the word Already in the nose a breath
Cocoa, then fine chocolate blended on the palate
with dark fruit and pipe tobacco, but juicy
and clear and with fine tannin bite."

.....
"Le Rhône se présente ici comme Le côté chocolat - dans tous les sens du terme, déjà dans le nez Cacao, puis chocolat fin mélangé au palais Avec des fruits noirs et du tabac à pipe, mais juteux et claire, avec une fine touche de tanins."
