

## Houchart Tradition Red 2018

côtes de provence,

A CONCENTRATE OF BLACKBERRY, BLACKCURRANT AND SPICES

### PRESENTATION

At the foot of the Sainte Victoire mountain, 15 kms from Aix en Provence, in the commune of Puyloubier, this domaine was bought in 1890 by Aurélien Houchart, a negociant and friend of Cézanne and great-grand father of Geneviève Quiot. This family estate has been farmed since Roman times some distance away from the "Via Aurelia".

### THE VINTAGE

A rainy but beneficial first semester which allowed to make up a little for the deficient water reserves in 2017. Consequently, spring was synonymous with mildew attack but thanks to a proper control, the harvest has been preserved. The summer was hot and sunny, which allowed us to approach the harvest in optimal conditions. The health of the berries was excellent and conducive to the expectation of optimal maturity, favored by a magnificent beginning of autumn with hot afternoons and cool nights.

### LOCATION

At the foot of the Sainte Victoire mountain, near the town of Puyloubier. The domaine is located in the plain between the Sainte Victoire and Aurélien mountains. This very particular situation creates a very specific climate to this area.

### TERROIR

1 étoile

"Une robe d'un grenat intense habille ce vin au nez franc autant que généreux de fruits rouges compotés (fraise, framboise, cerise). Un fruité que l'on retrouve dans une bouche aux tanins fondus, agrémentée d'une touche vanillée signant le passage en fût. Un rouge équilibré, bien dans le ton du millésime 2018."

**Le Guide Hachette des Vins, 05/09/2020**

"Medium deep ruby red colour. Ripe nose of sweet plum, red berries, garrigue, tobacco and fine wood. Youthful palate, fresh and vibrant still a tight texture with fine layers of spicy red fruit and good length. A wine needing another 2-3 years to open."

**Tasted 100% Blind**

91/100

"This rich wine, is full of warm southern perfumes with wild thyme and spice. The crisp edge to the wine's richness suggests that it will need some time to mature before drinking. Drink the wine, with its black fruits, from 2022."
